The **Bioorganic Group of the RSC** is organising its annual postgraduate symposium for PhD students and postdoctoral researchers working at the interface between organic chemistry and biology. The symposium will be hosted jointly by the Department of Chemistry and the Department of Pharmacy and Pharmacology at the University of Bath on Monday **31st March 2008**. Applications to present research must be received by 28th February 2008.

Coffee and registration will start at 10.00. A buffet lunch will accompany the poster session. The symposium will draw to a close at 16.30 with the award of prizes for poster and oral presentations.

Registration will be charged at £5.00. A number of travel bursaries will be available on a first come first served basis.

Organisers: Dr Ian Blagbrough, Prof. Jonathan Williams (Bath), Dr Russell Cox (Bristol), Dr Rebecca Goss (UEA).
